**EXHIBIT A**

October 30, 2002

Dear Valued Customer:

Hargray of Georgia, Inc. would like to welcome you as a new customer!

On October 1, 2002 Hargray of Georgia, Inc. ("Hargray") and AI-Call, Inc. ("AI-Call") reached an agreement whereby AI-Call will transfer to Hargray all assets and customers currently served by AI-Call in the Pooler exchange of Georgia. Hargray will completely replace AI-Call as your local telecommunications service provider upon the closing of the acquisition expected to occur on or about November 30, 2002. In the previous agreement Hargray was the marketing and sales agent for both companies.

This change will not affect or in any way disrupt your current service. Hargray will be responsible for any carrier change charges associated with the transferring of your service from AI-Call to Hargray. In addition, the rates, terms and conditions for your service and the notification process for important information regarding your account will remain the same. You are not required to do anything to continue to receive the same superior service and quality you have come to expect. Hargray and AI-Call will work closely to make this transition a seamless process.

**You** do have the right to select a different carrier for your local telecommunications services, if such an alternative carrier is available. However, if you are currently under a term contract with AI-Call for local telecommunications services and select an alternative carrier for such services prior to expiration of the term contract, you may be subject to early termination penalties. Hargray Long Distance will continue to be your long distance carrier.

As we transition your services to Hargray over the next several weeks, Hargray is confident you will be pleased with its local customer service and you will see no change in your quality of service. We will keep you informed at each step in the transition process. In the meantime, until the transfer of your service to Hargray is complete, please continue to call 912-631-0031 for repair services, billing questions, account information, order status, changes to your current service, or other customer service issues.

Hargray is certain that you will continue to be as delighted with our service as we are in having you as our customer. Should you have any questions during this process, please contact Hargray toll-free at 800-800-7988.

We appreciate your business.
